

## **Charter Students:**

### **Enrollment Options:**

#### **Option # 1 Virtual Only**

Guided, independent paced study

Virtual classes include pacing guides, assignments, assessments, links and article materials on the subject matter. Projects are to be completed individually and supplies are not included in class cost. Prices are as listed on schedule Charter funds accepted.

#### **Option # 2 Hybrid - Virtual plus In-Person:**

Each of our classes have a virtual content option. Charter funds may be used for this self-pacing virtual option. Prices are as listed on schedule.

All virtual students may also enroll in corresponding hands-on/ in-person class(es) and lab(s) to complete projects in person with instructor and other students. **Separate private pay fee required for this hybrid option** as follows:

Enrolled in 1 Class - \$50

Enrolled in 2 Classes- \$80

Enrolled in 3 Classes -\$90

Enrolled in 4 Classes -\$100

Enrolled in 5 Classes -\$110

Supplies are included for the in-person/hands-on class(es) and labs in the hybrid option.

Due to the variety of guidelines and restrictions required by the various charters, we will not be accepting charter funds for in-person only classes for Spring Semester.

## **Private Pay Students:**

#### **Option # 1**

Class cost for private pay students are as listed on the schedule. Private pay students may attend in-person classes and will also have access to our optional online virtual class content at no additional charge. Most supplies are included with this class option. We accept cash, checks, PayPal and Credit Cards.

#### **Option # 2**

##### **Discounted Full Day: Save over \$200**

Choose up to 5 classes on one day: Monday, Tuesday, or Wednesday

3 monthly payments of \$265

Additional \$20 materials fee for Drones & Jr. Carpentry/ each

Enrollment is per semester not monthly
